The screenshot shows the Hackajob profile page. The left sidebar contains a menu with options like Dashboard, Pathways, Requests, Interviews, Companies, and Personal. The main content area is titled 'Profile' and shows a 63% profile strength. The 'Profile set up' section includes an Avatar, Personal information, and a list of roles and skills. The 'Personal information' section displays details such as Full name, Location, Postcode, Phone number, and English level. The 'Profile strength' section on the right lists various categories with checkboxes for completion.
